AUV 47 L 9857 6P0700

AUV 47 R 9856 6P0700

AUV 47 L **9877** 6P0700

AUV 47 R **9876** 6P0700

BECOME

Combined with a nozzle incorporating a cut-off function, these new models allow you to take advantage of the **additional nozzle line pressure relief solenoid valve feature**. Their **2-flat shaft** (compatible with couplings 1 and 2 flats) will help you to **replace even more models**.
